

Paddling

Please complete this activity form and return with your expedition booking form.

All questions are required to be answered in full if you wish to confirm your paddling spot.

You must be able to swim, and ideally have paddled a kayak once or twice before. Weather permitting, the Paddling activity is done as part of a landing. You will have time to explore on land as well as enjoy a paddling excursion.

On your initial outing your paddling guide will observe your overall suitability to participate in the Paddling activity. If your guide determines that you pose a safety risk to yourself, or to the group as a whole, your guide reserves the right to discuss their concerns with you, and to withdraw you from the activity if necessary. Please ensure you have fully read and understand our information sheet before completing this form. Contact our expedition experts if you have any questions. Minimum age to participate is 14.
